

SEBASTIAN ELEMENTARY PRINCIPAL SELECTION Policy

LEGAL REQUIREMENTS FOR PRINCIPAL SELECTION

KRS 160.345 section 2 (h)

The principal selection process at the school level is set out in KRS 160.345 (2)(h). The relevant parts of the statute read as follows:

2. If the vacancy to be filled is the position of principal, the outgoing principal shall not serve on the council during the principal selection process. The superintendent or the superintendent's designee shall serve as the chair of the council for the purpose of the hiring process and shall have voting rights during the selection process. The council shall have access to the applications of all persons certified for the position. The principal shall be elected on a majority vote of the membership of the council. No principal who has been previously removed from a position in the district for cause may be considered for appointment as principal. The school council shall receive training in recruitment and interviewing techniques prior to carrying out the process of selecting a principal. The council shall select the trainer to deliver the training.

3. Personnel decisions made at the school level under the authority of subparagraphs 1., 2., and 4. of this paragraph shall be binding on the superintendent who completes the hiring process.

4. If the vacancy for the position of principal occurs in a school that has an index score that places it in the lowest one-third (1/3) of all schools below the assistance line and the school has completed a scholastic audit under KRS 158.6455 that includes findings of lack of effectiveness of the principal and school council, the superintendent shall appoint the principal after consulting with the school council.

5. Applicants subsequently employed shall provide evidence that they are certified prior to assuming the duties of a position in accordance with KRS 161.020.

IMPORTANT INFORMATION FOR THIS DOCUMENT

Open Meetings Law — The council needs to understand the open meetings law and be sure to follow the letter and spirit of the law in all its meetings.

Superintendent or Designee — The superintendent or designee should serve through one complete principal selection process and should not alternate attending meetings. For example, if the superintendent will serve on the council for the principal selection

process for Smith County Middle School, he or she will attend the meetings and not send a designee for some of the process and attend him or herself for the other parts of the process.

Definition for Criteria — The characteristics sought in a principal for this school. The criteria serves as a guide for question writing, interviewing, and finding the candidate who best meets what the school seeks in a principal. This does not mean conditions for employment.

BEST PRACTICES FOR PRINCIPAL SELECTION

This document represents best practices for the principal selection process. These suggested steps are written with the expectation that all involved parties are following the spirit and the letter of the law and are committed to doing what is in the best interest of the students.

If a step is required by law, it is marked in bold.

Action	Person Responsible
1. Declare Principal Vacancy	Supt
The superintendent declares a principal vacancy at a school as a result of a principal retirement, resignation, termination, or other reason.	
2. Post the Vacancy	Supt
Post vacancy according to KRS 160.380(2)(b) and (c) . This requires a 30-day posting of the vacancy prior to employing someone. The position must be posted at the district central office for public viewing and must also be listed in a statewide registry maintained by the Kentucky Department of Education (KDE). The superintendent may, with the council's agreement and in emergency circumstances, ask for KDE's approval of a waiver to permit employing before the 30 days elapse.	
3. Hold initial meeting (open meeting)	Council (including Supt)

The council meets in an **open meeting** to discuss the following:

- A review of the SBDM law related to principal selection.
- The desire to work collaboratively and cooperatively to select a principal who meets the unique needs of the school, based on council criteria.
- District recruiting strategies/activities.
- The possible need for an interim administrator being appointed until such time that the council selects a principal.
- Required training of the council in the principal selection process according to **KRS 160.345(2)(h) (Legally required — Council selects the trainer.)**
- The selection of a high-quality, experienced trainer who will be available for follow-up questions, and the intention for the district to pay for the principal selection training selected by the council.
- The training should be specific to this principal opening. The superintendent or designee needs to attend the training as part of the council because this training is actually a working meeting where important decisions for the process will be made.

4. Set Up Principal Selection Training for the Council and Advertise It as an Open Meeting

Council
(including
Supt)

Principal selection training is required by KRS 160.345(2)(h). The council selects the trainer and the length of the training. Three (3) hours is a suggested minimum with the trainer available for follow-up questions. It is best practice for the district to pay for this training, but is not a requirement.

The following are suggested topics to request the trainer to address:

- How to review applications and resumes.
- How to use electronic search to gather information about the candidates.
- How to conduct in-person interviews — Develop interview questions based on criteria. Review what questions a council can legally ask a candidate and which questions or topics to avoid.
- How to conduct reference and work experience checks.
- How to prepare, conduct, and evaluate open response or written interviews.
- How to review the candidates' portfolios and resumes.
- How to prepare, conduct, and review a performance event.
- When and how to discuss employment issues in open or closed session and the need for confidentiality. **Be sure your council follows open meetings laws for open and closed sessions. KRS 61.810-61.815**

5. Establish Council Timeline and Plan for Principal Selection Process (open meeting); Decide the Screening Process	Council (including Supt)	
<input type="checkbox"/> Start with the target date for selecting a principal and work backwards to decide a timeline and plan for your work. <input type="checkbox"/> Discuss what type of screening process that will be used These decisions can also be made during the training session.		
6. Recruit Principal Candidates	Supt	
Beyond posting the position with KDE and at the school and district level, then: <input type="checkbox"/> Advertise broadly using multiple media sources. <input type="checkbox"/> Recruit minority applicants according to KRS 160.380(2)(d). Some recruiting resources include: Division of Minority Educator Recruitment and Retention at the KDE, (502) 564-2672; Administrative Leadership Institute (ALI) at Western Kentucky University, (270) 745-4950; Kentucky Educator Placement Service (KEPS) — current openings can be matched with potential applicants and applicants receive information through automatic e-mail services. http://apps.kde.state.ky.us/keps/index.cfm .		
7. Draft Principal Candidate Criteria (open meeting)	Council (including Supt)	
<input type="checkbox"/> Review attributes and needs of the school. <input type="checkbox"/> Gather input from stakeholders (parents, staff, students, and community).		
8. Establish Final Principal Candidate Criteria (open meeting)	Council (including Supt)	
Based on stakeholder input and needs of the school decide final written criteria for the position.		
9. Decide Information-Gathering Process (open meeting)	Council (including Supt)	
The council should meet and <u>establish the procedures</u> they will follow for the principal selection process and create required documents. How the council will:		

- Review applications, resumes, portfolios, and other relevant materials.
- Use electronic search to gather additional information about the candidates.
- Develop interview questions based on criteria.
- Call listed references and others who have worked with the candidates — decide standard and follow-up questions to ask.
- Conduct interviews. *(The council is deciding the procedure for the interviews in open session, not conducting the actual interviews.)*
- Prepare performance events. Performance events could include, but not be limited to, response to scenarios or open-ended questions about pertinent topics for the school. Having the candidates respond on a computer also gives the council some insight about basic technology and written communication skills.

Another option includes:

Hold a forum to meet the candidates. *(If you do this, the forum has to be very structured and all questions screened before being asked so no hiring laws are violated.)* This is not a debate. Candidates should not respond to each other's comments.

10. Review the Applicants and Decide Whom to Interview (closed session)	Council (including Supt)	
<ul style="list-style-type: none"> <input type="checkbox"/> Review the applicants to decide who best meets established criteria and select the applicants to interview <input type="checkbox"/> Send letters notifying applicants who were not selected for an interview. Thank them for their interest in the school. This is an important courtesy and good public relations for your school. 		
11. Interview the Candidates (closed session)	Council (including Supt)	
<p>At the end of the interview:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Share employee salary / benefits, job description, etc. with applicants. <input type="checkbox"/> Ask candidate if he/she has any questions. <input type="checkbox"/> Let the candidate know the date and time of selection meeting. <input type="checkbox"/> Get phone numbers (home, cell, and work) for reaching the candidate on the day and time of the meeting when the council will select the new principal. <input type="checkbox"/> Ask each candidate to be ready to let you know if they will take the job, if offered. 		

12. Evaluate the Candidates Using the Agreed-Upon Selection Process (closed session)	Council (including Supt)	
13. Prepare for the Principal Selection Meeting (open meeting)	Council (including Supt)	
<input type="checkbox"/> Decide who will communicate with the candidates. <p>The council should be ready to communicate with both the person chosen and those applicants who were interviewed but not selected. Another option is for the council to ask the superintendent to communicate with all the candidates about the final selection.</p> <input type="checkbox"/> Contact the candidates before the meeting: <ul style="list-style-type: none"> ○ Remind the candidates of the upcoming principal selection meeting and the approximate time you will be contacting them of the council's selection. ○ Explain to the candidates that if offered the job, the council will want an answer that evening. Each of the candidates needs to be prepared to provide a yes/no answer. ○ Tell candidates that you will want a biographical sketch and a photo sent by email from the candidate selected. <input type="checkbox"/> Be sure you have a phone number to contact each candidate when you go into closed session to discuss the candidates. <input type="checkbox"/> Draft the official motion to select the principal. This motion also serves as a public statement, so drafting everything, except the name of the person selected, ahead of time is a good way to be prepared. The motion might say something like: "Based on the criteria established by the council, with significant input from stakeholders and following our identified process, we have found the most qualified applicant to serve as our principal. I move that we select _____ as our new principal."		
14. Select the Principal (It is legally required that the council select the principal.) Best-practice advice also included. (includes both open and closed session)	Council (including Supt)	
<input type="checkbox"/> After the council interviews all selected candidates, the council should call a special meeting to discuss the candidates. Make sure that actions of the council comply with the Open Meetings requirements of KRS 61.823 for a special-called meeting. <input type="checkbox"/> Go into closed session to discuss the candidates and determine whether to offer the job to one of the interviewed candidates. <input type="checkbox"/> When it's clear which candidate will be selected, call that person while in closed session to see if he/she will take the job. <input type="checkbox"/> <i>(If the candidate is willing to take the job.)</i> Go into open session, read the prepared		

statement/motion, and vote to select that person as the principal.

- (If the candidate is NOT willing to take the job.) Stay in closed session and discuss whether another candidate meets your criteria and whether the council would want to select him/her as your new principal.
 - If the council would like to select another candidate, repeat the process above.
 - If the council is not satisfied with any other candidate, go into open session and announce something like: "The council will not be selecting a principal from the current candidate pool. We request that the superintendent repost the position and seek additional candidates for the position." The council should discuss the option of having an interim principal appointed by the superintendent until a suitable applicant is found.
